To Whom it may Concern,

On February 14, 2023 I rectally palpated 48 Black Angus heifers owned by Cudlobe Farms (Dyce Bolduc) of Stavely, Alberta. These heifers had normal reproductive tracts consistent with already having had at least one heat cycle and will be sold at Foothills Auctioneers on March 25, 2023.

If you have any questions, please contact me at 403-625-7051.

Sincerely,

Dr. Connie Fancy D.V.M.
